Laggan Brewing Co.

On Tap...

Uplands Mid \$9

Our lightest beer brewed from a single pale malt and a single hop variety (s.m.a.s.h). Cascade hops grown locally at Lost River make the Uplands Mid 100% locally grown. This cheeky mid strength ale offers the body, feel and flavour of a full strength beer.

Obi & The Baron Pale Ale \$10

The beer that started it all... A classic pale ale using a small portion of wheat and the rare Schooner barley, both grown in southern NSW. With only mild bitterness the emphasis is on the later hop additions and clarity is achieved through cold crashing the beer to near freezing.

Redgrounds Red Ale \$11

Limited release... A traditional Scottish style Red Ale staying true to its heritage with Fuggle and Magnum hops but using a locally grown Munich dark malt, SM40. With smooth body and mouthfeel, toasted bread, pretzel and hints of toffee brown sugar.

Peelwood Road Porter \$11

Our darkest beer using a huge and complex grain bill including roasted and chocolate barley. Although low in bitterness our Porter offers a full spectrum beer with distinctive coffee, chocolate, burnt toast and caramel tones.

Apple Blackcurrant Cider \$13

A superb sparkling cider using fruit from our very moody, extremely old and appropriately named 'Granny' Smith tree, some Pink Lady from the back paddock and blackcurrants grown right next to the brewery. A very tricky and very small batch luxury.

“Our love of ingredients (and beer) naturally led us to brewing right here on site using quality grain grown by NSW farmers, specialty hops and pure Laggan water.”
